

Translations completed by Bible Societies in 2023¹

Translations in
106 languages²

1. Bible Societies often partner with other translation agencies in completing these translations. 2. The total number of languages (106) is lower than the total of first translations and revisions (108) because two languages have both first and new portions. 3. The total of New translations and revisions (36) is lower than the total in this section (38) because two languages also have Study Editions as well as a New or Revised translation.
